Patent Galvanic Cement for Boosing.

Patent Galvanic Cement for Boosing.

In ad the public generally is united to this roading—
as being far experior to other compositions in use for the
purposes. In cat, we think it superior to any other Boosing, for it has more assertial sy utilizes combine to required
for rooding, than any other assistial used, viz. Imperior
ourses to water nonebuselibit, durubility and cheap
ness. It is Fire and Water proof, and can be applied to
flat or steep roofs. It is texture and appearance it reambles state—will cost solders sind runs in abs paracest
water, nor become hard and rack in the codest—
Therefore it forms it good with on plances, at its fire proof qualities partic
olively adapts it to flat troud buildings, unfor shoots as
the engo-entisty adapted to reparting with roofs, season
acrond buttlements sky lights and ghint ys, and to
saffine rooting it being extens viy used in the Kantern
States in the rande expensive buildings, shulders and Architects, and also spectures by calling at the office.

The subscribers own the right for the State of Waters
sin, and will set berrior by mandles at tourn, on favorable terms.

Lat the People come!

clean in the fer West, VERNONT, though she was Republican before, comes out with her bor dera cleared of everything in the shape of proslavery democracy. And now Marse, for which the hopes of Republicans largely outrum their expectations—may, we confess that for ourselver, considering the terrible reports of the doings of the "Straight Whige" there, our fears outrus our hopes-Mainz responds to laws and VERNONT, and cleans out the whole pack of Slavery Shriekera, old fogy Whige and all. The result is it "sunmer" for the Hunkers.

They begin to see that the people are in earner to But it is nothing to what they will get in Novemmer telegraphic head for details.

Tate State Convention at Milwanker mar State Republican Committee is making beadopted. a scangements for a grand raily of the friends o Freedom and Fremont, to be held in this city on the 2d of October. We shall have a galaxy of speakers, either one of whom would draw a large dience, and hold them for hours. In answer elegment Cassies M. Clay, who boidly advocates the rights of man in Kentneky, have promised to be here certainly. Others will be announced soon.

Let our Fremont Clubs be up and doing, and encolling mombers, so that here at home we may make a demonstration of strength that will show that Milwaukee means to do her full share

"HONORABLE MENTION." -- Some one says that the Prince of Darkness should be "sometime honored for his burning throne." So, doubtless, we are called to admire the ingenuity with which our political opponents, cornered and exposed in one falsehood, suddenly blaze out in another The last effort of the News. in which, however it follows with unaqual steps its more experienced brother, the Janesville Standard, is to say that, four years ago, we "supported Wissing Score, to: President, as well as the platform on which General Scott was nominated, which approcess of the Fugitive Stave Law."

Supposing the editor of the News not to be assaral-born Know Nothing, although politically

BACKING DOWN .- The News said the other day in reference to Goy. BANH south Message: "The Governor therefore recommends our Legislature to pass a law to protect our chizens who travel in Kansas, or 'on the rivers of 'the United States."

We characterized the asserdon as it deserved whereupon the News of yesterday morning blunders and stammers through half a column in trying to substantiate its assertion," but only seccoads in showing its stapidity in not being able to understand plain English, or its knavery in wilfully misrepresenting the Governor; since it is forced to admit that he only presented the enhject to the Legislature, "that they might devise some legal and constitutional way, if within their power, to protect our citizens, &c.'

AND STILL THEY COUR!-The editors of the Prescott. Pierce County. Transcript appointed that their next issue will be a Kepublican paper, on a seven column rheet, and a journal which shall do efficient service. The same paper conthing the proceedings of the Northwestern Assembly District Convention, which was fully atrended, and conducted with great spirit. Look great Northwest in November.

The Attack on Inwrence Belayed. The cowardly scoundred who are ravaging the plains of Kansas and destroying the homes of the zettlers, do not, if we are to believe wilt. Louis despatch of the 8th, dure to attack Lawsense, whose brave defenders are ready for them. Gay, Genry has doubtless arrived in the Torritoey, and some arrangement may possibly be made. We trust that he may have humanity and ners enough to act justly, but we doubt.

Faso Hoan for Conumers.-The Domocratic Assembly District Convention of Ozanice Comty, comprising Port Washington, Fredouis, Relgiam, &c., has passed resolutions in favor of F. W. Hony, as the Democratic cambidate hir Congrees. Fred would make a very cappropriate

the lists, which will be, I suppose, before winter to beat this trip of the Persia : yet it is confidently said she will. The period of the year, late in the autumn or in the beginning of winter, when she will take the field or rather the water is ing, at 7 o'clock. There will be speaking both against her making her best performance at first. This trip of the Persia was over amount jum- to receive the benefit proportionally thereof. mor seas the Adriatio will begin when the stormy North is heatening on Winter.

The news by the Persia of good prospects all over Europe for the crops will, I suppose, diminish prices on our bide, and these can afford to fall, and yet afford good remuneration to the far; mers. The London papers were discussing Mr. Marcy's despatch about-the abolition of war upon private property on the sen, in which he puts with great force the case, that the abolish the average half of which is to be paid by the State, the bal tem of privateering, and yet maintain that the Navy of any country may make capture of private property in time of war, is to sucrifice the principle that in war on the sea, the same law should prevail as in war on the land—that the U. tic Asylum can be settled. S. caunot consent to so one-sided a proposition. but that if the nations of Europe are ready to file. incorporate into the law of nations a provision that, in time of wer, private property-not contraband of war, is to be held secred on sea as on land, this country will be propared to give favorable consideration to such proviso. This is the brue ground--the ground of humanity and Christion civilization; and it may, it is to be imped,

A CONTRACT.—The St. Louis Democrat of the 5th, in an editorial article on Kansas affairs, sage: We have constantly maintained, and the evidence which reaches us by every mail name and more confirm our position, that the reports that more confirm our position, that the reports that Brown to keep and maintain a ferry on the Wishare come to us of our neges and bestillities on the sum of our neges and the sum of the sum o ald wheel-horse in the cause of Liberty, and the part of the Free State men, were in the great majority of instances either gross exaggerations or pure inventions, got up to serve a passing purpose; and the article which we reprint today from a Lexington paper, strongly pro-slavery, in the prepossessions, goes for towards vindicating the justices of this view. Many of the reports prejudicial to the Free State party which have appeared from time to time in the Republican, have been notoriously disproven; as for instance, that Lecompton had been taken and snoked, an assertion boldly made by the Republican's correspondent, and flatly contradicted in that paper by the very next arrival from the disturbed distinct.

accoming the free state men of the most outrageous conduct, and throwing upon them the blame of the condition of things in Kausas.

allied to that interesting fraternity, we say that I that the fault is no more to be east upon one side. he knows that he bears false witness in asserting than upon the other. The valuations are just as that we ever "supported" or approved of, in any | correct in the country as in the city. The trouble is that assessors throughout the State, under the present law, strive to make their valuations as small as possible, so as to escape the payment of the State tax. We want a just and equal law, which will be generally obeyed, with nenalties against neglect or violation of its provision.

Mr. Abenneray, who left Leavenworth on the radio friends admit. There is hostility at the North. The admitty paint it at the South between the radio of the South between dates the following particulars to the Indians

from choice, that with a mill-stone round the seeks, it ey march down to the water for a swim mingringch with light men having floats on. Sir, it e party whose policy, however well in

tended, as given occasion to stain the American name with civil blood by the repeal of the Mis-souri Compromise, is not 'likely to stand well with the man of the North, whose brethren have

been the sufferers. Their denials of the out-rages, their exponuations, their apologies, day after day, in this House, all the stupendous mass of the committee's evidence overwhelmed them; and the rearping cavils at that evidence—to my judgment unimpeached, and if so, of crushing weight—scarcely tends to improve the odor of the Democratic party in Northern mostrils That is any opinion of the result of the Kansus investigation. I dare not impute perjury to men by the hundred; the concurrence of so many is itself conclusive against the hypothesis of fabrication; and I must be pardoned if my legal bubits vill not allow me to weigh partican denials a shat testimony sworn in the lace of cross-gambir alon.

In some States of the Union, Railroad Companies are very liberal during the season of Agricultual exhibitions, carrying visitors for half price, and live stock, farm products, agricultual mucho cry, and other things intended to be placed regularly upon showlet the Fairs, altogether free of charge. This, though praiseworth on their part, we have never doubted was a very constant advantage to their descriptions. was even a greater advantage to them than to the great interest which it is their desire thus to In some sections, however, where commercial

finilioads and Agricultural Exhibi-

a lineral policy towards the several chases of Free Speech, and Fremont.

the nature body of his reply:

"he success of your State Fairs, you may depend, will haug upon the contingency of carrying sock and other articles for exhibition free of charge. The simple face is, they cannot be kept to thou free transport—that is, free transport of it logs intended for exhibition, and which shall not to seld at the Fairs, or on their way to on

"Our raticons make large prouts by carrying people at half fare—some companies having realized \$10,000 over and above the usual profits in the same length of time. As near as we can lear, the extra profits on leading roads have. rang of from \$8,000 to \$10,000 during Kair Wer. The benefits are mutual between the railread companies and the framing interests; but in so far as direct pecuniary gain is concerned; the former have the largest share of the advantage. or 1855, the railroad companies here attem ted to institute a new order of things, by re-solving to charge half freight upon stock and ar-ticle; but at the eleventh hour, discovering that incident would be held, they came forward in spe-cial Zouvention, and declared that they could not afford to part company with the customary annual gathering—promptly restoring the necessary regulations, and acting that year with greater liberality than ever before—all their om-

plot sea seconding their efforts, at the time of the Fair and thus doing away with the usual preju-dice against railcoads, and against traveling to larg gatherings.
"This," concludes the writer, "is a very gratifying state of things, and will do the railroad companies and our enterprise great good during. be coming Fair. the soming rain.

The true police of both parties, we have not a
donut, is that which is pursued in Ohio. It is
libe all to the farming and manufacturing classes, and since it pays better than the opposite policy, of course just to the railroad companies,
a sound judgment cannot do otherwise than rec missend the example pursued by the Ohio rail oads; in this particular, to the rairoads of

Men's the extensive amount of Real Estate I have for sale, I would respectfully out the attention of those in search of a largety paying investment to an 'out lot.' of 30 acres. Baid lot is situated one mite and a half West of the city, and heades being handsomely timbered, commands the most beautiful view of the city, lake and harbor. The soil cannot be surpassed, and on the whole, this tract of land is unequalited in the country of affirmatives, for beauty and availability. Land, the same distance North of the city, is soiling at from \$4001 to \$400 per sore, and there should be its reason why the hand I offer should not be more variable, on account of the sur crierity of

THREE P.M. REPORT. Maine Election. BETTER AND SUREM!

PORTLAND, Sept. 8.

One hundred and fifty towes give Hamlin

27,874. Wells, in same towns, 22,873; Patten,
2,390. The asjority for Hamlin is 11,111.

The whole republican state ticket is elected.

Mr. Wood, in the Portland dietrict, is elected. to Congress by a large majority, and probably the five other Congressmen are elected. The republicans will have a large majority in the leg-NEW MUSIC ESTABLISHMENT!

PORTLAND, Sept. 9. BOOKS, STATIONERY The State has gone Republican: Portland, Bath, Ronger, Augusta, Rockland and other large towns show Republican going over last year, which, if carried through the State, will elect Hamlin by over 12,000 majority.

Rufus Choace is announced to speaker a Buth of the State of the hanan meeting here on the 17th.

A Great Work.—Since the commencement of the Presidential comparing, the Republican presspit this city have issued 400 just documents, including 200,000 copies of Summer to the Patie 40,000,000 pages. About one half of the Patie her has been distributed through the Washingbon Republican Association and the numbers of Congress. The National Democratic Executive Committee is now extensively engaged in a similar work, sending off, it is said, 20,500 a day. The American party is fille for that line of day. The American party is idle in that line of business. The pamphlet entitled "The Killing of Thomas Kenting," and for publishing, which Messis, Boll & Blanchard have been said by Mr. Hoover, U. S. Marshal for this district, was griften by Geo. W. Westola, of Maide.
